

IMPORT

Before the actual transport:

- Allocation EORI

[Registration for an EORI number](#)

- Customs classification

On request, we can provide binding information on the tariff classification of goods.

[Price list for complete customs services](#)

Documents are always required:

- **INV** – invoice
- **PL** – packing list
- **(AW) B/L** – bill of lading

When transporting emergency goods (e.g. batteries, medicines and used goods) we may require:

- C/O – certificate of origin
- Formalities and other non-contractual requirements
- MSDS document – in the case of dangerous goods
- Military licences
- Documents for goods for exhibition, claim or demonstration

[Labelling of dangerous goods](#)

[Help for correct packaging according to CTU code](#)

For the inquiry itself:

- Type of transport and/or time frame
- Delivery condition of carriage (Incoterms)
- From where - to where
- Description of goods (safe, unsafe)
- Number, weight, volume of cargo pieces
- Stackability
- Insurance - on request insurance in excess of the carrier's liability

Necessary documents for delivery and clearance:

- Power of attorney
- VAT certificate and EORI number
- Extract from the Commercial Register
- Commission contract
